Performance quoted represents past performance. Past performance is no guarantee of future results. The investment return and the value of an investment will fluctuate. Units may be worth more or less than their original cost when redeemed. Current performance may be lower or higher than performance shown. The results shown are for a short-term performance period. Short-term results are highly volatile and not necessarily indicative of longer-term trends. For performance current to the most recent month-end period, visit the Program Web site, [www.okdream529.com](http://www.okdream529.com). The MOP returns for shorter than 12 months reflect the applicable 1.00% deferred sales charge.

Investors should consider the investment objectives, risks, charges and expenses of OklahomaDream 529 Plan before investing. This and other information is contained in the current Plan Disclosure Statement.

Before investing, investors should read the Plan Disclosure Statement carefully, and consider whether their state of residency - or their intended Designated Beneficiary's state of residency - offers any benefit, such as a state tax deduction, or any other benefits that are only available for investments in that state's 529 savings program.

**NOTICE: OklahomaDream 529 Plan accounts are not insured by any state, and neither the principal deposited nor any investment return is guaranteed by any state. Furthermore, the accounts are not insured, nor the principal or any investment return guaranteed, by the federal government or any federal agency.**
